

Albuquerque FSDO presents:

NMPA Mountain Flying Familiarization Clinic

Day 1 ground school provides the tools to understand and safely plan for the unique challenges of mountain flying. Topics covered include aircraft performance, mountain weather, mountain communications, mountain flight operations & maneuvers, aeromedical issues, risk management, and survival. Optional flight activities on Day 2 and Day 3 offer an opportunity to fly in the mountains of northern NM and Southern Colorado with an experienced mountain flying instructor. Successful completion of ground and flight portions will earn an applicable WINGS phase and complies with the Flight Review requirements of 61.56. Friday ground school hours are 0900-1800

Attendee must provide their own aircraft for optional Saturday and Sunday flights.

There is a cost for the ground school and optional flights. See event flier at www.NMPilots.org for minimum requirements and registration information.

Directions: No GA parking on ANG ramp. Both KSAF FBO's will provide ground transport to/from ANG facility.

Training room is in first building on right as you enter the ANG compound. Gate opens at 0830.
